by communication

- Lump-sum turnkey amounting approximately INR 390 Crores
- Client: Mangalore Refinery and Petrochemical Ltd. (MRPL)
- Project completion: expected by end 2011

Mumbai, 13th August 2009, Tecnimont ICB Pvt. Ltd. (TICB) fully owned by Tecnimont SpA, the main operating Company of Maire Tecnimont Group has been awarded an important lump-sum turnkey project related to the Heavy Coker Gas Oil Hydrotreating Unit (CHTU) in Mangalore district (Karnataka state, India). TICB has received an official Award Notification from Mangalore Refinery and Petrochemicals Ltd. (MRPL), a subsidiary of Oil and Natural Gas Corporation Limited (ONGC), a leading Indian public group in Oil & Gas Exploration & Production.

The project is on a lump-sum turnkey basis for approximately INR 390 Crores and foresees the provision of engineering, procurement, construction and commissioning (EPC) services for the CHTU. The project is part of the complex "**Phase – III Refinery Project**", developed by MRPL at Mangalore. The facilities will be completed by end 2011.

The project concerns the set-up of new 3 million metric tonnes per year (MMTPA) crude processing refinery facilities, increasing the capacity of refinery facilities up to 15 MMTPA upon completion.

TICB, on being awarded this important contract, has further reinforced its position as a leading EPC company in the Oil & Gas Sector, confirming the significant role of Maire Tecnimont Group in the Indian market.

Mr. Pietro Alessandrello, Managing Director of TICB states that "The award of this contract to TICB is an important achievement for the company and for the Maire Tecnimont Group confirming its important role in the growth of the Indian Oil & Gas sector"
